PRODUCT CODE 737301

DESCRIPTION

Vaal Sanitaryware vitreous china "Elegancia Supreme" close coupled 90 degree outlet open rim top dual flush suite (6/3 litres) complete with lid and fitments (code 7373DT)
Also available as a front flush option (code 737382)

SPECIFICATIONS

	Mass	Volume
Pan	14.00kg	0.090m ³
Cistern	12.00kg	0.030m ³

INSTALLATION

1. Place pan into position and mark hole positions. Remove pan and drill holes. Place pan back into position, fix screw to the floor and secure.
2. Assemble all cistern fittings with inlet valve on right hand side of cistern. Fit cistern to pan ensuring sealing ring is in the correct position and tighten wing nuts.
NOTE: Do not use putty as sealer.
3. Flush the water line.
4. Complete all plumbing connections and test flush. Ensure that the correct water level has been set and that the operating overflow tube height conforms to and operates according to local by-laws and SABS specifications.
5. Always use silicone sealant or equivalent between the pan and the finished floor and wall surfaces for a secure and neat installation.
NOTE: The warranty will not apply to any product installed with cement
